About Us

“**Deepmaya Automation,**” incorporated at **Pune (Maharashtra, India)**. We are an **ISO 9001: 2008** certified company, recognized as one of the leading **Manufacturer** and **Suppliers** of high quality **Vertical Honing Machines, Horizontal Honing Machines, etc.** These products are developed using superior quality raw material and advanced technology at our sophisticated fabrication unit. The used raw material is procured from some of the trustworthy and licensed vendors of the industry. Additionally, we use advanced technology and latest machines to manufacture these products in accordance with the international standards.

These products are extensively appreciated for their noise free operation, reliable performance, user-friendliness, durability, easy maintenance, corrosion resistance, robust construction and longer service life. We have established a sophisticated infrastructural unit that is spread over a wide area and is equipped with all the modern machines and tools. Our infrastructure is segregated into various departments like manufacturing, quality testing, R & D and warehousing & packaging. These departments are properly installed with all the required machines as per the latest developments that help us develop a wide product range as per the international standards. We believe in attaining maximum trust and...
